

SANS

“SEC555 justifies what we have been doing in my company but gives a ton of new ideas to implement for better detection of bad stuff. It’s a class I would highly recommend to the rest of my team!”

- Choy Kok Ming, ExxonMobil

“ICS515 is very hands-on. Instructors live and love these topics. They are extremely knowledgeable!”

- Ryan Carrillo, Western Refining

“FOR508 gives numerous detection techniques that you know your existing traditional security tools aren’t using. Can’t wait to get back and start using them!”

- Neel Mehta, Chevron
